

### Product Group GFB

Rubber feet with stainless steel-thread

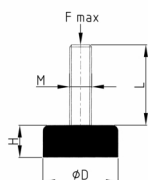

#### Standard Colours

- black

#### Material

- Thread: AISI 304 (A2)
- Rubber: NBR 60 Shore

### Product information

- The rubber foot is made of soft rubber and is therefore particularly suitable for smaller units that stand on smooth surfaces.
- The stainless steel threaded bolt is molded into a black rubber that meets the USDA standard for rubber products.
- The load capacity of the screw (buckling length!) may be less than indicated in the table.
